### Response Received

I learned how to form a good cover letter and resume.

I learned a lot during all appointments.

Satisfied

Thank you for the opportunity of this survey and for providing me the opportunity to voice my opinion.

Career space is a great tool that benefits many. Email is one of the many tools students use to see messages

'- a little less easy to navigate but still very good

'- Add a job alerts feature on the Student Job Portal that alerts students to opportunities based on their major or interests.

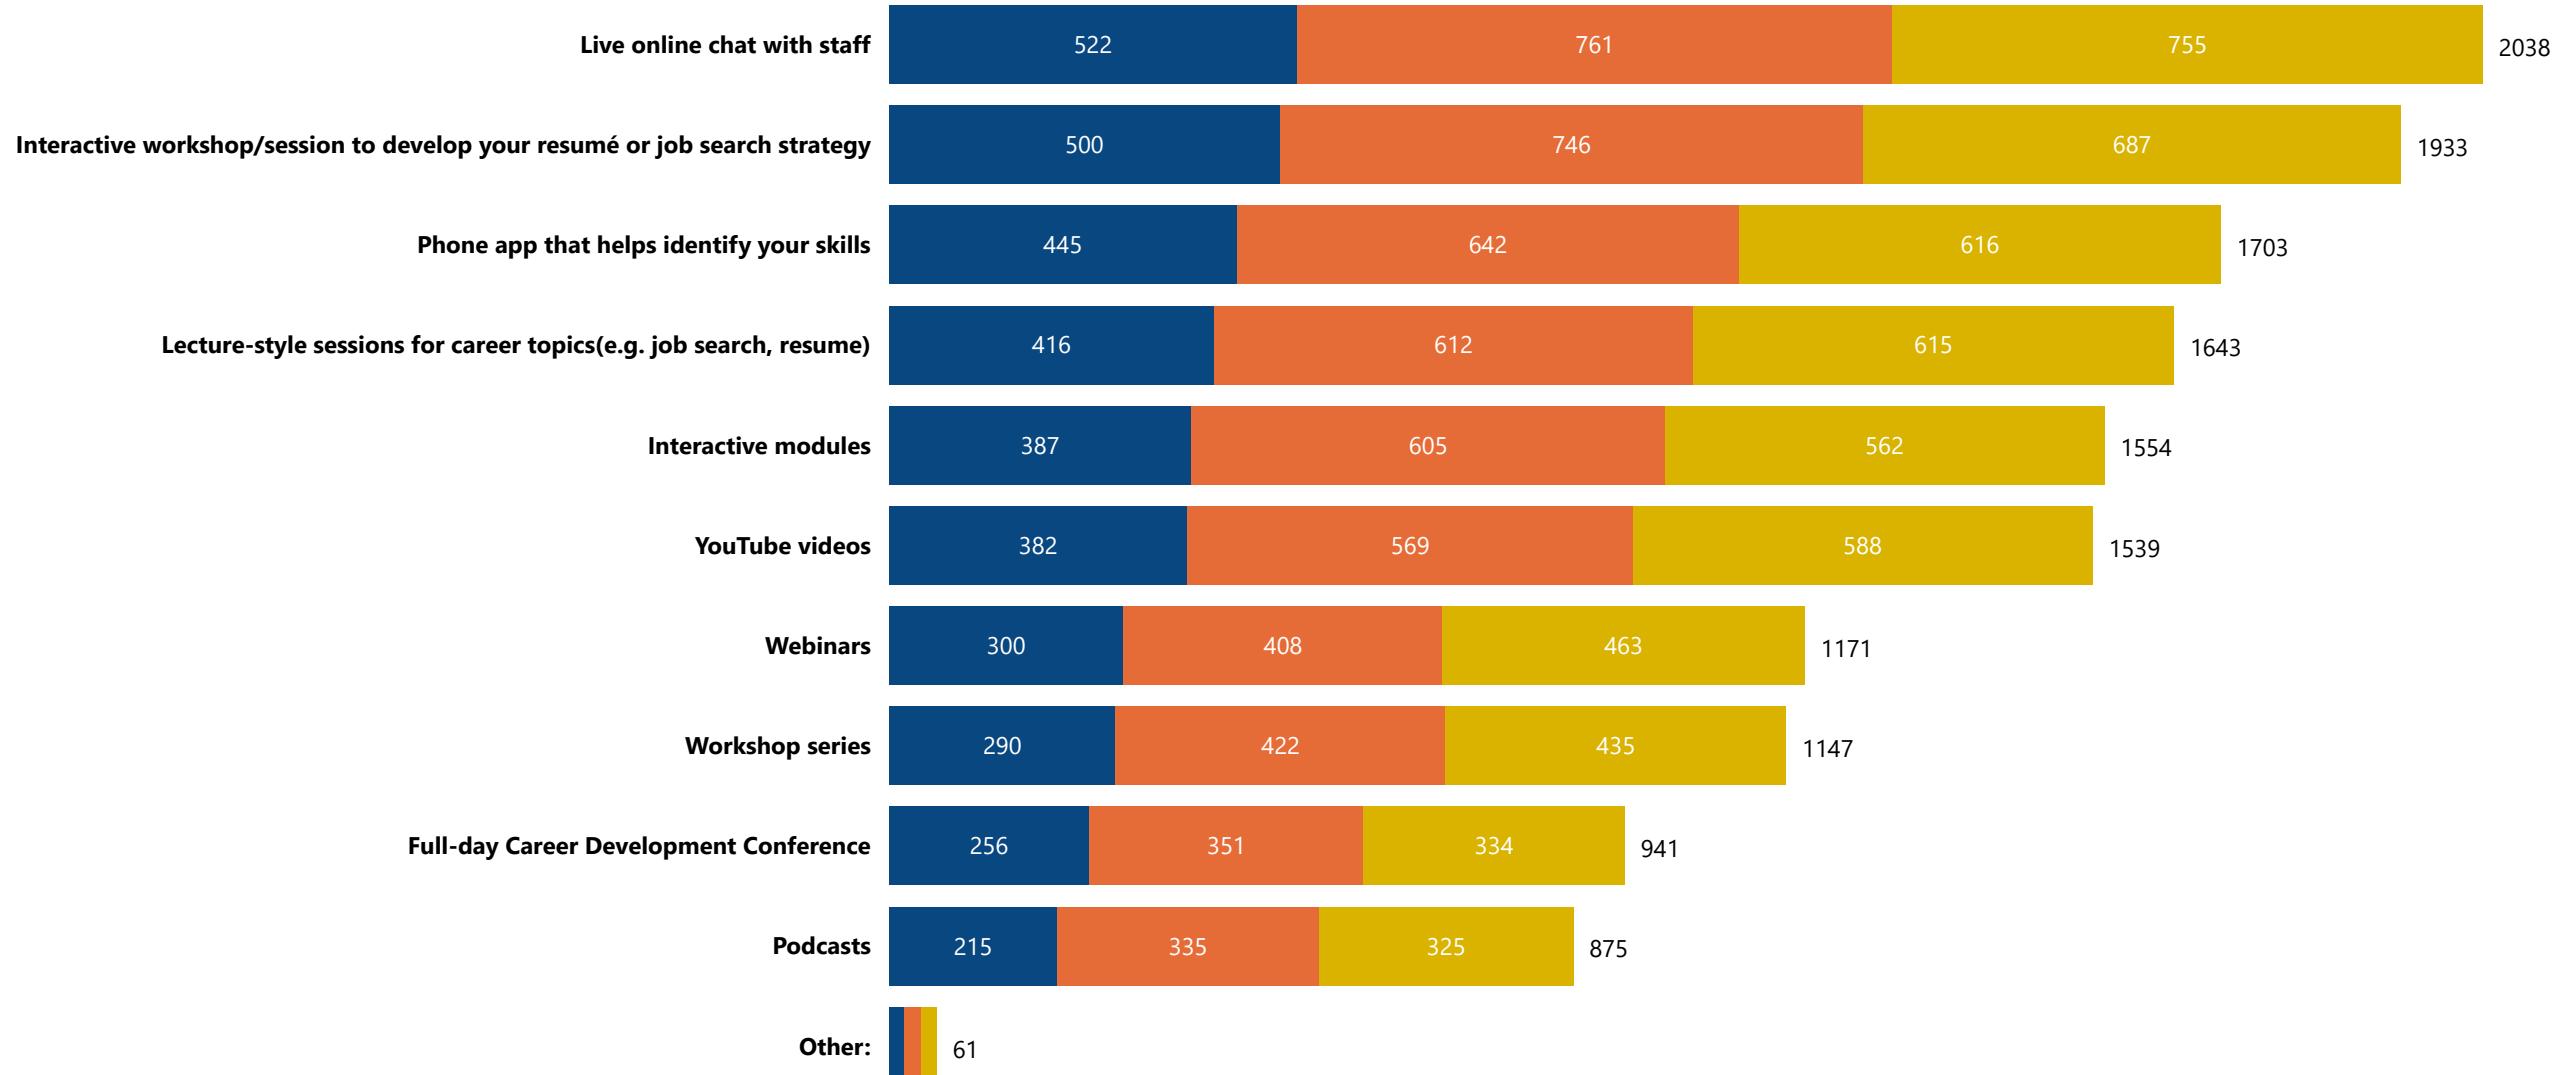

all is satisfactory
